

RCS 110A26365

Master cylinder 110A26365 peerless controllability

With the Brembo RCS radial brake master cylinder you can choose powerful or gradual braking, according to the road conditions and the weather, your sensitivity and the feeling of your bike. The innovative adjustment system of this patented brake master cylinder derived directly from the version used in MotoGP means that the same master cylinder can be adapted to different uses for even the most demanding motorcyclists.
