

# SUPERSPORT 208973764

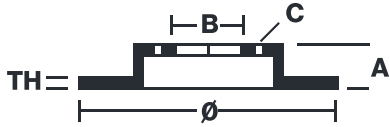

The 208973764 brake disc is synonymous with reliability

Supersport discs are available with a 34-mm-high braking surface and thickness increased to 5.5 mm, interchangeable with the originals with no need for modifications. Completely floating, they consist of the heat-treated steel band, capable of withstanding extreme thermal-mechanical stress, and the aluminium alloy hub carved from a billet.

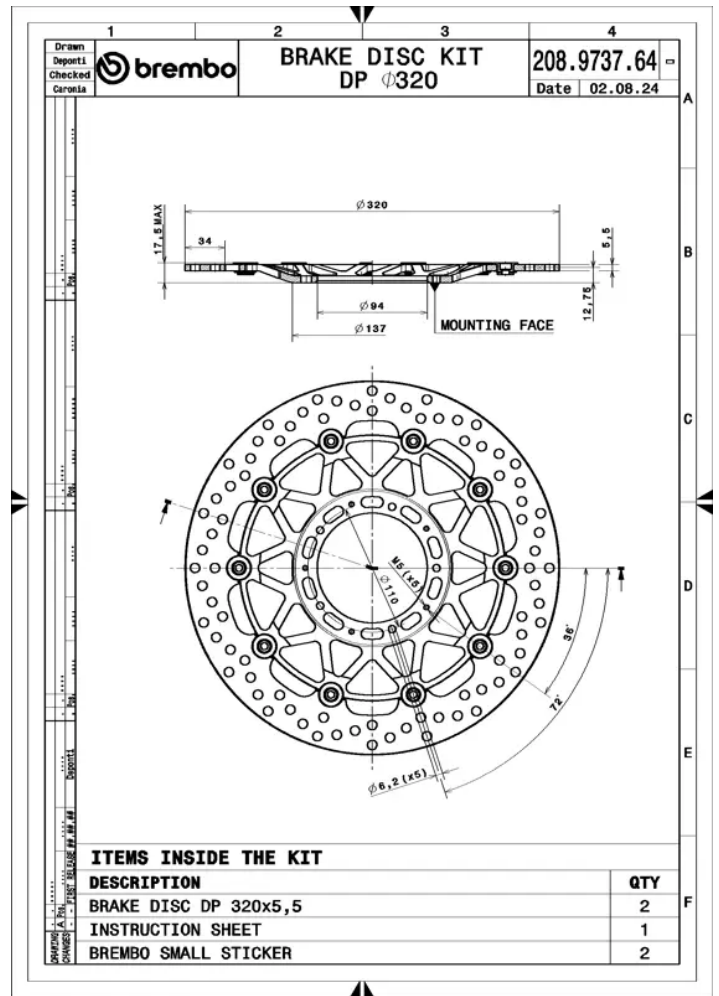

- ✓ OE-equivalent
